

CAP SPRING 2010 CLASS SCHEDULE

(FEBRUARY 1, 2010 – JUNE 4, 2010)

MONDAYS (DOUBLE Session; Off-Site Program)

CORBIN'S CRUSADERS (K-6th) - TENNIS or TEAM SPORTS!

212.875.8174 OR corbinscrusaders.com for info & to register

Each afternoon a Corbin's chaperoned bus will pick up students afterschool and bring them to Randall's Island or an Upper East Side gym where children will be taught by means of a "Skills, Drills, and Thrills" program. Coaches focus on fundamental skills and teach these through fun and exciting, age-appropriate drills, then conclude with a game. Following the program, students will be transported home (between 5:45 – 6:30 pm).

MONDAYS (Session A: 3:15 – 4 pm)

IMAGINE SWIMMING (PreK-6th)

212.253.9650 OR imagineswimming.com for info & to register

Imagine Swimming is one of the city's premier children's swim schools. As educators, Imagine and Claremont share the same philosophies & commitments. Most important: learning must take place in a comfortable & supportive environment. Whether dealing with a child's first experiences in the pool, or teaching advanced stroke technique, Imagine consistently creates aquatic classrooms where fear turns to joy, and a lifetime love of swimming is born.

SCULPTURE & CERAMICS (PreK-K)

Andrea Yost

Ceramics will consist of hand-building projects such as tiles, coil pots, bowls, vases & creatures from children's imaginations. Children will participate in the whole cycle of the process, preparing, shaping, & glazing.

SUPER SOCCER STARS (PreK-K)

REGISTER with Super Soccer Stars 212.877.7171

Join NY City's most popular soccer development program, right here at Claremont! Dynamic international coaches work with every student to develop skills, self-confidence, & teamwork in a fun, non-competitive environment. Positive reinforcement & a low child-to-coach ratio ensure that each child will improve his or her soccer skills through engaging warm-ups, drills & games--all while having endless fun! Each child receives a free t-shirt. Call 212-877-7171 to get the ball rolling today!

LEARN THE VIOLIN – PART 2 (PreK-1st)

Amy Schroeder

Students from first semester or last year can continue to learn to play the violin in a small group (maximum 4 students) with individualized attention. Children will learn through listening, playing, reflecting, & practicing.

HOLA AMIGOS! (PreK-1st)

Enid Rodriguez

Through games, crafts, music, food, and of course, language, students will be exposed to basic Spanish while learning about various cultures that can be found in countries that speak Spanish around the world. No es necesario hablar Español! (No Spanish needed!). Returning and new students are all welcome.

SILLY SCIENCE (K-1st)

Erin Wiener

Welcome to the Claremont Science Lab where all kinds of fun will ensue as we engage in hands-on experiments that will fascinate students and teach them something amazing about chemistry, physics, and other sciences while keeping a big smile on their face. Each week will have unpredictable surprises, so put on your lab coat & come with an open mind.

PIANO WORKSHOP (K-2nd)

Jonathan Coombs: Piano School of NYC

In these small group classes, students are encouraged to learn basic music & piano skills: introduction to the keyboard, listening, singing, clapping, followed by note reading & writing, music theory, history & more!

CHESS CLUB (K-6th)

Sophia Rohde (Kids Chess Network)

Chess emphasizes creative problem-solving & individual decision-making. Classes consist of both group discussion & supervised play. Each student progresses at their own pace, from learning the moves & values of the pieces to more advanced strategy & tactics. Chess is taught by Sophia Rohde & other highly experienced instructors from her Kids Chess Network. All levels are welcome, as there will be both a beginners & advanced group.

GIRLS ROCK! (K-1st)**Devin Febbroriello**

Rock Bands have fast become a phenomenon of the Claremont Afterschool Program. For the first time, we will offer girls-only Rock Band. Nothing rocks quite as much as an all-girl band! Write fun songs, try all the instruments, be the lead singer. Have a great time in this carefree environment where everyone gets to be part of the band.

JEWELRY DESIGNERS (K-3rd)**Elizabeth Crowley**

Please join us for some serious bead fun! We will be creating all different types of jewelry, including necklaces, bracelets, earrings, & pins. With a variety of materials & an assortment of beads, we will learn different techniques & create beautiful jewelry that we can wear ourselves or give as gifts. We hope you can join us in creating some fantastic wearable art!

WOODWORKING (1st-3rd)**Chris Mateer**

Students will draw, design, saw, build, & paint all kinds of fun and exciting projects! We will use the tools of the shop to construct projects that have doors that open, lids that close, and wheels that go! All students will work cooperatively and learn to safely handle and use the "tools of the trade" including saws, hammers, files, glue, screwdrivers, & more!

HOMEWORK HELPER (1st-4th)**Carmela Schembri**

Lower school teachers will work with students to help them organize their weekly assignments and provide any assistance they may need. Students will be responsible for bringing their assignments each week and must be prepared to work quietly in a library-like environment.

VOICE STUDIO (2nd-9th)**Meena Jahi**

Join Claremont's own vocal "diva" for this class offering individual voice evaluation, one-on-one attention, vocal technique and ear training. The class size will be limited to 6 students, and classical and contemporary solo works will be selected for each student to sing at our final performance for family and friends.
